

July 2023

Statement on China RoHS

China RoHS stands for the China Restriction of Hazardous Substances (RoHS) Directive and applies to electrical and electronic products (EEPs) placed on the market in China.

We hereby provide you information related to the China RoHS, an administrative measure on the control of pollution caused by electrical and electronic products.

Substance declarations for our products are available via www.endress.com/downloads.

Endress+Hauser believes that the information it provides above is accurate. The information provided is based on data obtained from ongoing due diligence concerning goods and materials provided by third party suppliers. Endress+Hauser provides such information "AS IS", without any express or implied warranty of any kind. Endress+Hauser reserves the right to update and modify this communication, as it believes necessary or appropriate.
